

Ford Mustang / Chevrolet Camaro Suspension Packages

The world leader in suspension technology, Penske Racing Shocks have won many races and championships in F1, ALMS, Indy Car, GARRS, and NASCAR. That same race-winning technology is now offered in the highest quality strut and shock package for the Ford Mustang and Chevrolet Camaro.

REAR SHOCK OPTIONS

The 7500 Series single adjustable shock features a single shaft adjustment, while the 7500 Series double adjustable in-line shock features a single shaft rebound adjuster and an independent compression adjustment. The 8300 Series double adjustable is equipped with a single shaft rebound adjuster and high-speed compression adjustment on the canister. Additional options are also available. Please inquire with your Penske Racing Shocks representative for pricing.

FRONT STRUT OPTIONS

The 7500 Series single adjustable in-line front strut features a single shaft adjustment, while the 7565 Series double adjustable in-line front strut features an F1 inspired dual-bleed shaft with independent compression and rebound bleed adjustment. 8300 and 8700 Series canister options are also available for front struts. Please inquire with your Penske Racing Shocks representative for pricing.

Penske Aftermarket Suspension Packages are a proven race and street package that are guaranteed exceed all expectations for handling, comfort, and performance of your car.

The package fits all late model Mustangs and the 2010 and up Camaros. Spring hardware is available in 2.50" ID.

All Penske Racing Shocks are hand-built, tailored to your driver feel or car set-up, and dyno tested, insuring the highest attention is paid to detail, consistency, and performance.
