## 2-way or 3-way Strut and Rear Shock

The world leader in suspension technology, Penske Racing Shocks have won many races and championships in F1, ALMS, Indy Car, GARRS, and NASCAR. That same race-winning technology is now offered in the highest quality strut and shock package available for Porsches.

The Sport-2 is equipped with a single shaft rebound adjuster and high-speed compression adjustment on the canister, while the Sport-3 package includes a single shaft rebound adjuster and high and low-speed compression adjustments on the canister. Both packages feature front struts with Staubli quick-disconnect fittings for ease of installation and banjo, swivel-style hoses.

The Penske Sport Packages are ideal for a simple, high-performance suspension upgrade for your track, track day, or street Porsche.
